*Mr Zalman Shazar President of the State of Israel Jerusalem\**

We wish to address ourself respectfully to Your Excellency to express to you the hope that on the part of the Israeli Government nothing will be omitted in order that the terms of the military truce in the Middle East may be opportunely extended. We are deeply convinced that this first positive result will constitute the indispensable prelude to the desired peaceful solution.

As We send you this Our confident appeal, We pray the Lord that he may accompany peoples and rulers with his inspiration of justice and peace.
